11th NUA SUMMER LECTURE PROGRAM 2023

Inviting International Professors

OVERVIEW

It is once again our great pleasure to announce the commencement of "The 11th NUAA Summer Lecture Program".

NUAA's commitment towards the internationalization of its higher education has yet again given us this opportunity to invite and welcome Professors and Researchers from different regions and specialties to participate in this truly global academic event.

With over 488 academicians and 21,000 students taking part in the past few years, it is one of the significant events at NUAA providing our students a platform for internationalization beyond mobility.

Module

July 3rd-14th, 2023
(32 Teaching Hours)

Proposed courses could include (but not limited to)

- Aerospace Engineering
- Energy & Power Engineering
- Automation Engineering
- Electronic and Information Engineering
- Mechanical Engineering
- Material Science & Technology
- Civil Aviation
- Space Science
- Mathematics & Physics
- Economics & Management
- Humanities & Social Sciences
- Computer Science
- Arts & Literature etc

PROCEDURE

1st Foreign teachers to propose an course

2nd NUAA promotes the proposed courses to the students

3rd NUAA decides to run the courses when enough students register

4th Summer Lecture Program contracts will be sent to the selected foreign teachers

5th Courses will commence as scheduled
